In anticipation of a large volume of people coming to the Lake County Health

Department's final adult flu clinic on Dec. 16, the department has arranged the following:

- People will be directed by the Waukegan Police to park at the Home Depot back lot. A shuttle bus will transport them to the senior center.
- Those eligible for the flu shot will be given a ticket while in line that will permit them access to the flu shot clinic.
- All those desiring a flu shot will need to provide proof of residency in Lake County and proof of age.
- Children will not be given flu shots at this clinic.
- Please bring Medicaid or Medicare cards.
- This flu clinic is limited to people 50 years of age and older, and those 18 years of age and older with chronic medical conditions.

The clinic will take place at the Waukegan Township Senior Center, 414 S. Lewis in Waukegan, from 9 a.m. to 1:30 p.m. on Tuesday, December 16. People will be given shots on a first come, first serve basis while supplies last. For more information, call the hotline at: (847) 377-8470.
